# WELCOME

## At the Campion Church

Be part of the movement for healing and hope. Our continent is facing a mental health crisis . . . and no community is immune. But the church can play a vital role in this battle. MindFit is a series that cuts to the core of the issues—exposing the roots of mental illness and stigma, and exploring how modern medicine AND biblical faith offer real hope to those who are struggling. With this event, you have a unique opportunity to reach your community, meet their mental and spiritual needs, and form lasting relationships.
